Introduction L.C. van Tiel Logistics B.V.

Our company is specialized in the handling, transportation, rigging and installation of project cargoes. We are able to offer our principals our services worldwide. We offer door-to-door turnkey services to manage all phases of projects from conception to completion.

We have special expertise in the shipping of goods that require special treatment and carry out many individual projects. Moving products from one location to another is fundamental to the logistic process. This can involve multiple modes of transportation that result in a door-to-door movement.

These services include local trucking, inland trucking, transshipment or sea / air / road / barge / rail combinations. Our company has an extensive global network, all equipped with trained professionals to achieve the desired result on behalf of our customers.

Our range of services:

- Inland trucking for containers and breakbulk cargoes including heavy lifts and out of gauge cargoes.
- On-carriage by barge, rail, air or sea or in combination of several modes of transport.
- Custom brokerage.
- Warehousing and distribution.
- Stripping and stuffing containers, especially special equipment for over-dimensional cargoes.
- Packing.
- Transshipment.
- Sea freights for Ro-Ro, breakbulk, FCL and LCL.
- Air freight.
- Cargo supervision.
- Vessel & aircraft chartering.

Specialized services provided for project cargoes:

- Planning of the project together with supplier.
- Working out study reports of project sites worldwide.
- Providing overall transportation budgets.
- Establishing the logistics of transportation overall.
- Issuing packing/ shipping instructions to sub vendors.
- Nominating vessels/ aircrafts and booking cargo with ocean/ air carriers.
- Supervision of loading and discharge in ports of call.
- Delivery from destination port to job site, including rigging and total installation until start-up if requested.

Network:

Besides our membership of the networks we have been able to build up over the years an excellent global network of agents and partners. We have agents in:

- Antwerp and Zeebrugge for Belgium
- Hamburg, Lübeck, Bremen and Bremerhaven for Germany
- Baltic States
