### Company Profile

Trans Pacific Projects Pty Ltd has been providing superior Project Forwarding Services to world wide clients since April 2007; offering specialist services across all aspects of freight forwarding, including but not limited to heavy haulage, ship chartering, customs clearance and consultancy.

Trans Pacific Projects has handled multiple major projects in the infrastructure, energy and oil and gas sectors since its establishment in 2007.

Trans Pacific Projects is a 100% Australian owned and operated company with their head office conveniently located in Hendra, Brisbane.

The company is certified according to ISO 9001:2008, OHSAS 18001:2007 and AS/NZS 4801:2001 and has a proven track record of excellence.

Trans Pacific Projects is a member of the XLProjects Network.

### Our Service Solutions

#### NATIONAL AND INTERNATIONAL

Trans Pacific Projects manages all of your transport requirements on a national and international scale from ex-factory to site. Our services are tailor made to the specific needs of each individual project, utilizing the best and most economical means of transport (road, rail, ship, plane).

Our team has the expertise and the service orientation to provide, a stress free project coordination / management our clients can rely on.

#### AIR AND OCEAN

Trans Pacific Projects manages all your Air and Ocean Freight service requirements for any size cargo or shipments, part and full cargoes; including full documentary support.

#### SURFACE TRANSPORT

Trans Pacific Projects operates comprehensive heavy haulage services to major project sites throughout Australia utilizing road and rail facilities.

#### CUSTOMS CLEARANCE

Trans Pacific Projects provides a full range of Custom Clearance services incorporating both export and import, including AQIS (Australian Quarantine and Inspection Service) inspection if required.

#### OTHER SERVICES

Trans Pacific Projects also provides a range of additional services, which include but are not limited to:  
Cost estimations, Project consulting;  
Road surveys; Packing Services,  
Canes, Rigging, etc..
